SUMMER VACATIONS-HOLIDAY ACTIVITIES

CLASS- IV

ENGLISH

Name

Roll No-

- Make a greeting card with the prints of vegetable cuts.
- Write your observation of the park on one lovely evening and do the following activities:
  - Describe what you saw in the park (children playing on the swings, trees, group of children playing cricket, etc)
  - Support your report by drawing out what you observe.
- Learn any one poem.
- A book will be handed over to the child, read it and enjoy it.
- **You will be required to attempt a simple questionnaire to understand your sincerity in reading the book.**

MATHS

- Make your own table booklet for tables from 1 to 20 and learn them.

E.V.S

- Visit a nearby Botanical garden or a park. Carefully look around the variety of plants present there. Observe and try to find out the following information for any of the 5 plants that are of medicinal value. Write the following information in scrap book.
  1. Name of Plant.
  2. Plant type (Herb, Shrub, Tree, Creeper, Climber)
  3. Any medicinal use.
  4. Any special feature (Thorns, Tendrils, Spines, Flowers etc.)
- Make two recepies made from seasonal fruit on A-4 coloured sheet. Let your parents taste and comment on it in the scrap book.

ART

- Learn to create some design with needle and thread from your mother or grandmother and bring it to school which will be displayed in the creativity corner.
- Mix mud and water, give some shape, dry it under sun, colour it and create beautiful art pieces.
- **We want the parents to have atleast one enjoyable outing together.** Please watch any movie and paste the movie ticket in the scrap book.
